Purple is our favorite color!

You know we girls like playing dress up. And we enjoy undressing each other as much as guys do. After clothes shedding, we'll get down and eat each other's pussies because we smell as good as our taste. But we also have a secret weapon of pleasure. An 18-inch beautiful translucent double dong... purple. And you can watch this incredibly hot scene online!

A great day for a three-way!

We're BBBs. That's Bitchin' Best Buddies! But this is our first scene together, and will keep on doing them. We've become inseperable and sex is a great bond. No matter how many men or women we may fuck, we'll always have each other. We all like the same things. It's kinda like making love to ourselves. That can be a lot of fun.

PIPES, DRAINS AND BEYOND!

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

When I was just out of college and trying to get my feet on the ground, I took a variety of jobs. Never lasted very long at any of them, but I did have some interesting adventures. My most memorable was when I was moonlight delivering pizzas in town to make a little more money to pay the bills. So I'm working on Friday night and the manager gives me my final few pizzas for delivery.

I recognize the first order, Mr. Driscoll. He's a regular that orders pepperoni and black olives every time, but not much of a tipper. The second was your standard large three topping for a couple college guys watching the basketball game. Again, not much of a tip. The final order was a new address I had not delivered to before. When I arrived and rang the bell, this stunning young thing answered the door in one of those halter tops and bikini bottom. As I handed her the slip to sign to charge it, she looked at the patch on my shirt and read softly -- Pipes, Drains and Beyond.

"That's a cute shirt." she said. "Is your father a plumber?"

I just looked up at her, too shy to say anything to this fox. "I need someone to look at my shower."

I said "Well, no, that's me." She chuckled and said "No,

really?"

"Really" I replied back to her. "Are you expensive?"

"Well that depends on the job. A shower, well that depends on if I have to replace anything."

Then she asked if I could take a moment and look at it with her. I said OK. She invited me in and said her boyfriend is not the handiest man but he has other qualities.

She took me into the house and to the bathroom. She explained that some times it works, and sometimes it doesn't. I said let's take a look and she went over to the faucet and turned it on, then pulled the plunger to activate the shower. Sure enough nothing. She said now, watch this, she turned everything off, then repeated the steps. This time it came on but shot off to the left, soaking her.

I started to laugh, she said "Oh that's funny is it?" I said it was and she looked at herself and started to laugh, too.

I told her I thought I knew what the problem was and asked if she had a rag, a wrench and a straight pin or needle. She said she'd be right back and went and got the things I asked for. I took off the shower head and looked at the valve inside. It was clogged with calcium deposits and hard water build up. I started to push the pin through the holes of the head.

Soon I had the whole thing cleaned out and reassembled the parts and tested it. Sure enough, it worked like a charm. She jumped up and down, causing her boobs to fall out of the skimpy halter. I just stood there looking. Oblivious to her exposure, she said it hadn't worked that good since she moved in nine months ago. I gave her a name of a product to use, explaining that it was the calcium build up causing the problem. She thanked me as she noticed me looking at her chest.

> **She dropped her top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened.**

"Oh my God!" she exclaimed as she became aware of her wardrobe malfunction.

I smiled and told her that she'd already paid me. "I did?" she said, adjusting her boobs back into place inside the halter.

I said "Yes, when you jumped up and down." She blushed and said she still owed me something for my labor. With that, she pulled the top up off her chest and over her head, again revealing those two beautiful mounds.

She dropped her top and began caressing them in broad circles, winding down to her nipples, which she pinched and they immediately hardened. I came over and caressed

them. Then I started to play with her nipples, she started to moan. I then bent down and started to suck on them and this really set her off.

She then slipped her hand under her bikini bottom and between her legs. As I continued with her breasts, she pulled down her bottoms and took my right hand and put it there. I felt no hair, so my fingers went straight to her pussy and without any fumbling, split her lips, searching out her cute little sex button.

I dropped to my knees and let my tongue take advantage of her. She leaned against the bathroom sink and opened her legs, putting one up on the counter. Her pussy was staring at me so as I drove my tongue deep inside. With some soft moans, she came quickly. Looking up at her, I smiled and she pulled me up and unzipped my shorts and pulled out my cock. She gasped and said I was hung like a horse. I smiled and asked if that was a problem. She told be to lean back on the counter and got down on her knees in front of me.

She said "Let's see this thing," as she took my nine inch rock hard cock and stroked it back and forth. After a few minutes, she took it into her mouth and began sucking it. I said "If you don't want a big load in your mouth, you had better quit now." But she didn't. I blew my load into her mouth and she drank it down. But she pulled off too soon. I blew two more pulses on her face and boobs but she just smiled and licked it off.

I pulled her up to the counter and sat her on it. She opened her legs again and scooted her butt forward. Then, taking my cock in my hand, I guided it inside her sopping wet pussy. She moaned as she felt my hugeness slide in and out, and soon I felt the next load building. I asked if she wanted this one inside her or out. She said it feels to good inside so go ahead, do it, so I did. She moaned as I flooded her with another huge load. After I finished, she got off the counter and knelt back down and licked me clean. She said that very nice and hoped I was able to come back from time to time.

> **She moaned as my hugeness slid in and out, and soon I felt the next load building. I asked if she wanted this one inside her or out.**

"I'd like to do this again, mister Pipes, Drains and Beyond." she cooed.

I said "Oh yeah, me too, lady with the plugged pipes.."

We laughed for a few minutes and both got dressed. She turned on the sink's faucet and washed her mouth out. Then after wiping her face went on to say that if I was to come over and saw a red Charger in the driveway, not to come in. That was her boyfriend's. I said no problem.

We got together numerous times, both before and after my pizza deliveries and various plumbing jobs. For the next year, she was still with her boyfriend, but we managed a hot tryst at least once or twice a month – when I was not avoiding the red Charger.

MISTY & CHANELL

Pleasure is my business!

Chanell is the cute little girl next door that's grown up to be one hot babe. I've been around a while and when we met, and when I saw her naked, I saw the perfect mix of beauty, boobs and butt. We're comfortable with nudity and sometimes forget there are people all around watching us. I guess that makes us professional exhibitionists. But we're more than that. We are pleasure machines and know when to turn ourselves on -- and off.

NIKKI & AUDREY

Let's get wet together!

Sometimes it pays to bored. And it pays to have a friend like Audrey, who's there for my horny booty call. By the time she got to the bedroom, I was completely naked and told her to hurry up, I wanted to have sex in the tub. I was already wet by the time she got into the tub. I couldn't wait to get my lips around her sweet kitty and suck it into my mouth. She's so yummilicious!

ROCKIN THE RESORT

Every summer I would go to a resort to get away. It's actually a private ranch called Antelope Ranch. There're plenty of activities to get into. One Sunday afternoon, I decided to walk along one of the trails. I chose one of the easier ones. About an hour into my walk, the trail came to a fork in the road. As I thought about which path to continue on, I noticed a nude man looking up at the trees. My footsteps behind him broke his concentration.

As he was turning around, I tripped on a fallen tree limb and stumbled onto him, with my naked body crashing into his. My breasts smashed into his broad chest, my arms grabbed his hips to keep me from falling further, and as I straightened up our spontaneous contact made him a little excited, and me very embarrassed. He coolly introduced himself as Allan. As I raised my gaze from his cock to his eyes. "How clumsy of me." I said. "I'm Chelsea."

"I dropped my binoculars when you bumped into me." he said in a deep baritone voice. I apologized and looked down between us and noticed them semi-hidden by the limb I had just tripped over. As I did a little "bunny dip" to pick them up, I saw that his penis was a bit erect but still pointing down.

As we walked along Robin's Trail, we'd try to step lightly as not to scare and birds away. He with his binoculars at the ready and me with my camera ready. Allan was 28 years and I was 23. I could feel the physical attraction between us. I knew things could get interesting. But tried not to think about the possibilities. Allan was the type that you'd fantasize about but never thought you'd meet. We continued down the trail speaking softly and laughing. He had a wonderful sense of humor. Along the trail we'd notice little snack shacks offering only water, chips, fruits, maps and some type of trail mix. All free of charge to visitors at the ranch.

We must have walked two miles or so. As we drank and munched, Allan went to peek over a small cliff. He noticed a small lake with people paddle boating and called me over to have a look. We both smiled and said at the same time... "That looks like fun!" Without hesitation Allan quickly unfolded the map and focused on a short cut to the paddle boat entrance. When we reached the entrance to the paddle boats, we stood aside to catch our breaths. It was now dusk. We each took a fresh towel that they provide to visitors and chose a boat to get into. Allan got in first, then extended his hand to help me in. I

did notice him take a peek at my pussy as I stretched my leg to get in the boat. He put his arm around me and I took off my hat to rest my head on his shoulder and chest and began to caress his strong thighs. I've never been with such a sweet guy before. I wanted him and I could tell that he wanted me too.

On the way back to return the boat he raised my head from his shoulder, kissed me and asked me to have dinner with him. I said yes. Allan mentioned that the pool back at the resort was heated and we could reserve a cabana and simply get dinner from the resort's buffet. I hugged Allan around his waist and began kissing his shoulder, neck and face. I could see he was beginning to respond to my kissing and touching his legs. His cock grew huge. I wanted to give him a blow job right there in the boat. I just kept thinking, "All this cock for me?"

As I stroked it, I took his hand and placed it between my legs so he could feel how wet I was getting. From a distance I could see a tiny cove and suggested to Allan that we pull over and rest. As we approached the cove, I noticed there was no one in sight. We started kissing and touching each other. His large hands felt so good on my breasts. We let the boat drift and park itself. I kissed his big strong chest and licked his nipples working my tongue up and down his salty body. I licked the tip of his cock.

He amusedly asked me what I was doing. "Well, first I'm gonna stroke you, like this..." I said, wrapping my hand around it and sliding it up and down. It was slippery with his secretions, and the feeling was marvelous.

"Then what?" he said. after he was as stiff as a rock. "Then... Then I'm going to put it in my mouth." And... I did! Sucking, licking, sliding it in and out. Massaging his balls and sliding my fingers towards his asshole. I tugged and licked his balls and slid my mouth up and down his shaft until he closed his eyes to just enjoy the sensations.

I took his penis out of my mouth and looked at him as I rapidly tugged on his throbbing member. Then I stopped and said "Don't cum yet. The evening is still young and I'm hungry and I know you are, and I may want that for dessert."

Back at my cabin I washed the day off me and prettied myself up as best I could knowing I'd be nude all night. I did, however, put on my sexiest strappy heels that I wasn't even going to bring. Why? Would I need them at a nudist resort? Fashionably late, I walked over to the cabana to find Allan already there with a bottle of wine chilling. I smiled and entered it, accepting a glass of the wine he had just poured. We ate, drank, laughed and told stories.

The evening quickly passed and the buffet was out away for the night. The groundspeople came by extinguishing the torches and picking up around the grounds. After about twenty minutes, all was quiet. Allan got up and pulled the drawstring on the cabana door flaps and they swung shut. Lit now only by a couple of candles, he turned to return and I saw his cock was already huge. He came over to me standing right in front of me – cock pointing right at me face. I reached up to stroke it and he stood frozen, allowing his cock to throb as the blood crashed through his genital veins.

I softly moaned as my mouth replaced my hands. It was obviously something I liked to do and this beautiful man was getting all my attention. I grabbed his buttcheeks and pulled him into me so his cock went deeper into my mouth. I swallowed it whole and worked my tongue on the underside of his shaft as he gently pulled it out and pushed it back in. I joined his rocking motion, fingering each of his balls and pulling on them as I sucked. With my hands behind

him, I spread his asscheeks a little and worked a finger between them and swirled around his asshole. I looked at him with a sexy, evil smile and nipped at his penis head with my teeth. Now by one candlelight I grabbed Allan’ head by the hair and encouragingly pushed his face hard against my tummy and pussy. He scooped my ass in his hands, deftly pulling me forward at the same time he opened my legs wider to allow his face access to my private area. He really knew how to lick pussy and before long I was moaning open-mouthed.

I started breathing hard. “Tell me what you’re gonna do to me,” I said. “I’m gonna do what you think I’m gonna do,” Allan said. He reached between my spread legs and dipped two fingers inside my magnificently damp pussy hole, down to the last knuckle. Even this simple act made me twitch with post-orgasmic shivers. After coating them with a thick, drippy layer of vaginal cream, he moved his fingers back to the hole between my asschecks.

He told me to relax my anus muscles as best I could, but there was simply no way to avoid stretching it as his fingers worked their way in, pushing further, then pulling out a touch to keep the skin from stretching, then downward again, and so on until I felt his fingers buried deep inside my burning rectum, the exceptionally tight walls squeezing deliciously around his appendages. For a few long seconds, he fingered my ass, gently worming around inside me. My asschecks tensed again and again around his hand.

He removed his fingers easily, pulling them out as they passed my rectal muscles. Then, with his hands on my hips, he directed my ass toward his dick head. I had never done anal before vaginal sex but since this was a new start for me, why not. I was always adventurous and the thrill was coming back to me with Allan. I reached under to help aim the prick toward my tight hole. He eased his lubed head inside the relaxed hole as gently as possible. He drove more of his cock inside me. I grabbed him by his pecs and ground my body down hard and fast into his, sliding my ready asshole up and down the thick dick now inside me.

I let out a muffled scream as I gritted my teeth, pounding the sofa with my fists, once hitting Allan hard in the chest with my knuckles. He barely felt the blow as he concentrated on the task at hand. Slowly, slowly, he pushed his cock inside the constricting tunnel, working it in, working it out, working it in again. When he was halfway in, he was already close to cumming because it probably felt so fucking good to him. I know I was grooving on it. It had been a couple years and now that the feeling was renewed, I felt like I had to have more.

“Oh god damn, Chelsea,” Allan said, “you sexy bitch, you love getting fucked up your ass.” “Yes, Allan, even though it’s been a while, I love what you just did. I love having my asshole filled with your big cock.” As I was straddling him, I reached down between his asscheeks and felt my way between them and forced a finger into HIS asshole. He shuddered a little as he bucked sending his cock beeper into mine. I shrieked and pushed my finger into his chute up to the first joint. A couple hard thrusts of his cock into my rear and I felt his warm juices fill me up. He left it in for a minute as I pulled my finger out. I turned to him and gave him the wettest, sloppiest, hot, tongue-iest kiss I could.

We spent the night in the cabana and the rest of our stay at the resort together taking in mother nature and each other’s love. We made a follow-up date to return to our secret rendezvous in a few months as I had to get back to work and Allan to his new wife. When he told me that, I decided it didn’t matter that much to me. After all, it was human nature.

JESSE JANE BEND HER OVER PUSSY AND ASS MASTURBATOR FLESH

BEND HER OVER PUSSY & ASS

This smaller, hand-sculpted replica of her ass, including her beautiful pussy and asshole, was made just for you! Hand-painted details make it even more lifelike. The realistic material is stretchy to fit all sizes and feels just like the real thing, both on your shaft and under your hands as you slap and squeeze those jiggly cheeks! The nubbed texture of her pussy and the ribbing in her asshole will make it hard to choose. The convenient, space-saving size allows for discreet storage and easy handling. Two through-holes on the back can be pressed closed to play with suction sensations and allow for easy clean-up.
